SUMMER CAMP
AT THE PLAZA

2018

Our early childhood center is a diverse community of families and educators that inspires children to be confident individuals, community-minded citizens, and life-long learners.

WEEK 1

July 9-13: CP Olympics

Run, jump, and skip your way into this week while practicing and learning body mechanics and movements while competing against yourself achieving your personal best.

WEEK 2

July 16-20: The Great Outdoors

Come explore the surroundings of the Plaza in the summer. Have fun comparing this urban forest to the surroundings of the nearby Adirondacks, Catskill and tri-city regions.

WEEK 3

July 23-27: You Are What You Eat

Dive into healthy eating habits while combining mathematic skills with our local Farmer's Markets products. At weeks end, we will create our own unique salads and treats.

WEEK 4

July 30-August 3: Water World

Explore the nature of water and its three stages through science and other predictions while checking out our local water parks.

WEEK 5

August 6-10: Science Wonders

Experiment with partners as to how electricity and other elements come together in our world with this fascinating twist on summer activities.

WEEK 6

August 13-17: I'm an Animal

This week we focus on ourselves as animals and how the human body adapts to its environment. We will also take part in donating to local animal shelters and learning about other animal habitats.

WEEK 7

August 20-24: Artful Antics

Using visual arts such as sculpting, painting and ceramics while taking guided trips through the museum and concourse, students will tap into unique and original ways to express themselves as artists.

WEEK 8

August 27-31: Wacky Week

Help celebrate the end of summer with a beach party bash, rock concert, magic shows, and even a backwards day to cap off a summer of fun.
