

Hours of Operation

7:00 AM - 5:30 PM

Welcome to the school-age summer program at Children's Place at the Plaza! We are planning a summer full of fun activities and great field trips. The following programs will be offered to children ages 6-10.

Tuition:

\$225/week

\$202.50/week with 10% sibling discount

*Includes breakfast, lunch, snack and field trip fees.

*Half of the tuition is due at the time of registration. The balance is due in full by June 14, 2019.

Summer at the Plaza involves hands-on learning, diversity, field trips and most of all, FUN! Please join us by registering today.

Summer at the Plaza

"Our early childhood center is a diverse community of families and educators that inspires our children to be confident individuals, community-minded citizens, and life-long learners."

Week 1: July 8—12

“Science Wonders”

Science comes in all shapes and sizes. This week we will “WOW” you with some unique science experiments. Kids will be involved in STEM exploration and learning science dynamics through hands-on experiments. Don’t miss out on this unique experience!

Week 2: July 15—19

“Kids Growing It”

Enjoy spending your week getting your hands dirty gardening and learning about plants. Garden crafts will be made to enhance any garden. We will venture out to gardens and shops while other visitors will bring plants to us. Spend a week surrounded in nature.

Week 3: July 22—29

“Animal Affair”

Everyone loves some kind of animal. Our week will be filled with local field trips and animals visiting. We will create items to donate to the local animal shelter and learn about life cycles. Join us for an animal adventure you won’t forget!

Week 4: July 29—August 2

“Water World”

Water seems like such a basic thing yet it can be so complex. We will be exploring all the unique ways water can be absorbed, floating and sinking experiments, and the complexity of the water cycle. Get ready to get wet, build dams, and investigate different melting experiments. It will be a wild week with water!

Week 5: August 5—9

“Cooking Creatively”

Spend your week cooking and eating creations of your own. Each day will be a new cooking adventure, learning how to measure, write recipes, and trying new ingredients. We will travel to a local restaurant and grocery store. Together we will learn about cooking and eating healthy.

Week 6: August 12—16

“Sporting It”

Exercise and sports are an important part of a healthy life. Get ready to spend the week learning new outdoor games, participating in team building exercises, and competing with others. This will be a week of fun exercising and new activities!

Week 7: August 19—23

“Circus Time”

Come join the circus! We’ll have a fun week of carnival activities, learning circus secrets, and creating circus food. We will be involved in costume making, crafts and performing. Our week will conclude with circus fun for others to enjoy!

Week 8: August 26 - 30

“Artful Antics”

Students will use their creative brains to work with a variety of art mediums. We will take guided tours through the NYS Museum and the Plaza Concourse to learn about different art. This week will be about self-expression as a unique artist.
