CHILDREN'S
PLACE
AT THE PLAZA

Children's Place Summer Camp at the Plaza

"Our early childhood center is a diverse community of families and educators that inspires our children to be confident individuals, community-minded citizens, and life-long learners."

Week 1: July 6—10

“Welcome to Summer”

We will kick off the official start to Summer the best way we know how—lots of fun, games, and fun in the sun! Activities this week may include relay races, water games, and more!

Week 2: July 13—17

“Art Through the Ages”

We will learn about and experience ART from the beginning of time until now! Lets learn of great artists, examine and experiment with various art materials and share our creations!

Week 3: July 20—24

“Color Me Happy”

Welcome to a week of bright and colorful creativity! Activities may include making our own crayons, tie dying, exploring color mixing, using a variety of art materials, edible rainbows and investigating the color spectrum with prisms!

Week 4: July 27—31

“Crazy, Messy, Science”

We’ll spend time this week with many hands-on, wildly fun (and messy!) science experiments. This week we may create oobleck, exploding volcanoes, edible crystals, and lots of slime!

Week 5: August 3—7

“Let’s Get Cooking”

Join us in our camp kitchen, as we spend this week cooking, baking and experimenting! This week, we’ll include a mystery food taste test, create our own recipes, learn all about cooking tools, and of course cook!

Week 6: August 10—14

“Superhero Week”

We will spend the week exploring everything super and wonderful inside of us! Activities this week will include a costume workshop, comic book and character creation, a super obstacle course, and activities meant to challenge and develop our strengths!

Week 7: August 17—21

“Nature Adventure”

Look closely and see all the beauty that surrounds us! Using nature as our tools, we will explore the physical world and all it has to offer. From learning how to plant a garden, to making maps, a nature hunt, and looking for wild life!

Week 8: August 24—28

“Camp Olympics”

Join us for a wacky end of the summer celebration! Students will compete in summer games—including obstacle courses, ball games, group scavenger hunts and more! Bring in the end of the Summer with fun and sportsmanship!
